RESUBMISSION OF

INFORMATION DISCLOSURE STATEMENT

Dear Sir:

The documents listed on the enclosed Form PTO/SB/08a have come to the attention of Applicant and are submitted to the Office under 37 C.F.R. § 1.97(b)(3) and §1.98(d). A copy of each of the cited foreign patents and of each of the cited articles is enclosed.

This application is a continuation of U.S. Serial No. 10/704,376 filed November 7, 2003.

This Information Disclosure Statement is being submitted concurrently with a Request for Continued Examination which is being filed solely for the purpose of resubmitting the prior art submitted with this Information Disclosure Statement, which art was previously submitted to the Office in three Information Disclosure Statements, however, the art was not considered at the time the Information Disclosure Statements were initially submitted. It is respectfully requested that the art be considered and checked off by the Examiner.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP

*EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant. Applicant's unique citation designation number (optional). See Kinds Codes of USPTO Patent Documents at www.uspto.gov or MPEP 901.04. Enter Office that issued the document, by the two-letter code (WIPO, Standard ST.3). For Japanese patent documents, the indication of the year of the reign of the Emperor must precede the serial number of the patent document. Kind of document by the appropriate symbols as indicated on the document under WIPO Standard ST. 16 if possible. Applicant is to place a check mark here if English language Translation is attached.

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it contains a valid OMB control number
